

OCEAN

COASTAL BEAUTY AND MICRO CRACKLE ELEGANCE
COME TOGETHER IN PERFECT HARMONY IN THE
OCEAN COLLECTION.

When looking into the ocean on a calm day, you feel a sense of serenity and a depth of vision.
Relaxation, reflection and visual stimulation are inherent to the Ocean Collection.

MICRO CRACKLE

When the surface effects of a typical crackled glaze combine with the unique micro-crackle effect, its reflective, yet dimensional surface makes the tile not only unique, but transitional in design from classic to contemporary. The decorative components and finishing pieces of the Ocean Collection color palette make it the choice of designers and homeowners globally. Enjoy your day at the beach every time you enter the room.
