

HAND CLIPPED
MOSAIC COLLECTION

MARBLE SYSTEMS

hand clipped

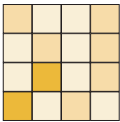

Our Hand Clipped Mosaic Collection utilizes artisanal craftsmanship to create honed marble mosaics that are both refined and charming.

The slightly rugged hand-clipped edge of the tiles, paired with the geometric symmetry of the mosaic, evokes a tasteful yet homey aesthetic. This collection toes the line between striking yet understated and elegant yet casual. It's ideal for creating a sophisticated yet welcoming atmosphere in interiors.

This collection is suitable for both residential and commercial horizontal and vertical applications. It's especially ideal for kitchen backsplashes.

Usage

- Backsplash

V3 - Moderate Variation :
While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly. For example " that little bit of color " on one piece of tile may be the primary color on the next piece.
